

inc/RequestHandler.h

```
graph TD; A[inc/RequestHandler.h] --> B[memory]; A --> C[string];
```

A diagram illustrating a header file dependency. At the top, a gray rectangular box with a black border contains the text 'inc/RequestHandler.h'. Two dark blue arrows originate from the bottom center of this box. The arrow on the left points down and to the left, terminating at a white rectangular box with a gray border containing the text 'memory'. The arrow on the right points down and to the right, terminating at a white rectangular box with a gray border containing the text 'string'.
